Before the photographer arrives, do this to ensure quick and easy session:

- Turn all lights and lamps on
- Turn all ceiling fans off and hide portable fans
- Open blinds and shutters
- Close toilet seats
- Remove all personal care items from bathrooms
- Make sure bins inside and out not visible
- Remove cars from driveways
- Have a plan for children, pets and pet items so that they are no in the photo
- Remove laundry from line
- Remove pool items and hoses from pool.

How you present your property will determine the quality of your images.
